Permission Form 2017-2018

Dear Parent/Guardian:

Students are often involved in school-sponsored activities during which photographs or video may be taken of them and/or their work by Unit 4 employees, student teachers or journalists. Such activities may include, but are not limited to, performing in school plays, participating in athletic contests, displaying samples of student work, or representing a particular instructional program.

The District often receives requests from educational leaders, journalists, and others asking permission to photograph students. The pictures may be in the form of videos, photographic displays (print or digital), or photos in newspapers, magazines, reports, or school-sponsored internet sites. The purpose of these pictures is to help further the cause of better education through awareness and to recognize student achievement. Photographs of Unit 4 students are expected to be used for educational and awareness purposes and are not to be commercially sold.

In the spirit of promoting better education, we are requesting your consent for your child to be photographed and/or to use samples of your child's work. Please fill in your child's name in the blank space in the statement below, indicate your choice, and return it to the school during registration or have your child return it to his/her school. Your permission helps celebrate the achievements of all of our students.

Sincerely,

E.H. Mellon Administrative Center
