

Dreaming of being in a band or playing in your own garage band some day? Come jam with the pros at **Parkland College's First Gig Camp!**

Led by 20+ musicians who have years of studio and live performance experiences, First Gig Camp offers you a week full of learning and fun. You'll be placed in a band with other students and be led by a professional musician. Throughout the week, you will work with your band and band leader to develop a live show. The week culminates in a final performance of all of the bands. You won't find any program like First Gig!

First Gig takes place June 12-17 on Parkland's main campus. Camp includes lunch, "lunch talks" with guest speakers; instruction provided by local and regional artists in the field of music.

To register, visit www.parkland.edu/btceRegister. Look for First Gig in the Youth Programs – Summer Camp section!
