CHROMEBOOKS AND SERVICE

QUESTIONS AND ANSWERS

- Q: You have spec'd a Spectrum Cloud32 Chromebook Cart. However you have not outlined is alternatives would be accepted. Are alternative allowed, or is the district requesting Spectrum only?
- A: Spectrum only.
- Q: I'm reaching out to see if Unit 4 School District has plans to sell their older Chromebooks. Please let me know your plans and we can discuss our Technology Buyback Program in greater detail.
- A: Not in SY18. We are still working to getting to a 1:1 environment. At some point in the future ~SY19 we can start looking into this.
- Q: Also, the Chromebook, are you are seeking for a Touch or Non-touch?
- A: Non-touch.
- Q: Also, what are the warranties are interested in for these? 1 year, 3 years, any accidental?
- A: No additional warranty needed beyond the manufacturer's warranty on chromebooks.
- Q: Also our company cannot perform the tack of Go Green Service. But we can procure and perform the pre-delivery services. Is it still okay for us to bid?
- A: Go green boxing services must be included in the proposal. Proposals not including those services will not be considered.
- Q: I recently read through a RFP for Dell 11 Chromebooks. I didn't see any mention of protective bags/cases/sleeves. Does the school plan on doing a future RFP for this kind of accessory?
- A: No, we will not be doing an RFP for cases or sleeves.
